

Support Keira's Law

MP Email Template:

Dear <insert name of MP>,

I'm writing today in my position as <position title> at <name of VAW shelter/transition house org>, which is located within your constituency, to ask you to support Member of Parliament Anju Dhillon's Private Member's Bill C-233, which will raise the level of education on domestic violence and coercive control for federally appointed judges.

The part of Bill C-233 pertaining to education of federally appointed judges is being called Keira's Law after Keira Kagan, who was killed by her father when she was four years old in 2020. In my own work at <X shelter/transition house>, I have seen the important and lifesaving impact this law would have on women and children fleeing violence. <insert details/story/aneccote if possible, without identifying information>

Bill C-233's first hour of debate, as you know, is on April 29. Our <shelter/transition house>, along with shelters and transition houses across the country, led by Women's Shelters Canada, will be posting our support of Keira's Law on social media throughout that day. We hope to see you and all MP's vote in favour of this essential legislation.

Voting in favour of Keira's Law will not only protect victims of violence and children. It will save lives.

Thank you,
